Connie has an awesome website to refer to for complete information. She has a long history of training and competition and is considered one of the best in her field.

Connie will focus this seminar on AKC regular Obedience titling skills in Novice, Open, and Utility. People with working spots will serve as demo teams for training different exercises and ring related problems at obedience trials. Starting your dog with basic healing through components of the Utility exercises will be addresses.

This seminar is also for Rally enthusiasts as all Rally signs are basically a break down of obedience skills. Specific Rally signs will not be addressed.
