A warm-up area consisting of a single regulation agility jump will be provided. “No agility obstacle training is allowed on the show grounds except for the use of the warm-up jump.” (Chapter 4, Section 15 of AKC Regulations for Agility Trials) The “grounds” include the entire Sirius Ranch facility, parking lots, buildings, RV/motor home parking area, etc.

There will be one ring; **first dog on the line at 9:00 am**. Preferred classes will run with the corresponding regular classes and height divisions. Master and Excellent classes will run together and all levels of FAST will run by jump height.

CLASS DESCRIPTIONS

Classes: Please consult the AKC Regulations for Agility Trials for a complete description and eligibility to enter into these classes. The exhibitor is fully responsible to enter into the correct class(es) and height divisions. Dogs running in a lower or higher height division than they are eligible will be eliminated.

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend

- Exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title.
- The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Multiple Jump Heights Within the Same Trial Day

- Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

Note - A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering for Exhibition Only (FEO) As of January 1, 2020

- FEO is only allowed in the Time 2 Beat and FAST classes.
- FEO will allow exhibitors to work with their dogs in a trial environment.
- FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment.
- Competitors must enter in T2B and/or FAST.
- Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class.
- FEO does not need to be noted on the entry form; the handler will declare on the start line the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out.
- FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring.
 - Toys must be non-audible.
 - Toys may not leave the handler's hand.
 - Toys that roll freely cannot be used.
- Food/treats are not allowed in the ring

- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time – Time is course time – not max course time.

Fix and Go On (FNG) As of January 1, 2020

Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

Height Divisions		
Regular	Preferred	Height at the Withers
Handler may opt to run their dog at a higher height division.	Handler must run their dog at the proper height division.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11" and under at the withers
12"	8"	For dogs 14" and under at the withers
16"	12"	For dogs 18" and under at the withers
20"	16"	For dogs 22" and under at the withers
24"	20"	For dogs over 22" at the withers

Jump Height Cards: All dogs entered **MUST** be measured by the judge before their **first** run except those with AKC jump height cards. Measuring will take place at 8:00 a.m. If your dog is measured into a taller jump height class, he must be moved up into it at the trial. **If your dog is measured down, he cannot be moved into a lower jump class.** The dog maybe switched from regular to preferred as allowed in Chapter 1, Section 21 page 18 of the Regulations for Agility Trials and ACT handbook.

It is the sole responsibility of the exhibitor to have their original, official jump height card or temporary jump height form at each trial to present upon request.

Jump Height Card Process: There is a new section at the top of the form for exhibitors to designate whether your dog has a valid jump height card or needs to be measured. Please mark the appropriate box, so the trial secretary knows whether to include your dog on the Dogs to be Measured List.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a major 24-choice height division for all Regular tiling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or *back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog measured prior to running.

Dogs listed in the **AKC Canine Partners ProgramSM** may be eligible to enter all-breed AKC agility trials at a club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
